

Photo on pages 16—17

The model pictured and described below is one of the possible configurations. Two more inspirations follow on the opposite page. For all variants, options, configuration limits and appliances refer to the datasheets.

Specular frames allow the unit to be assembled with the middle leg on the right or left.

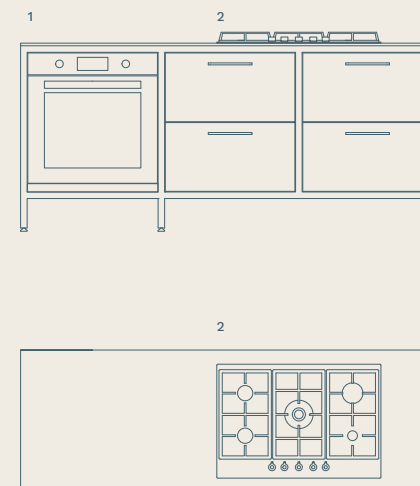

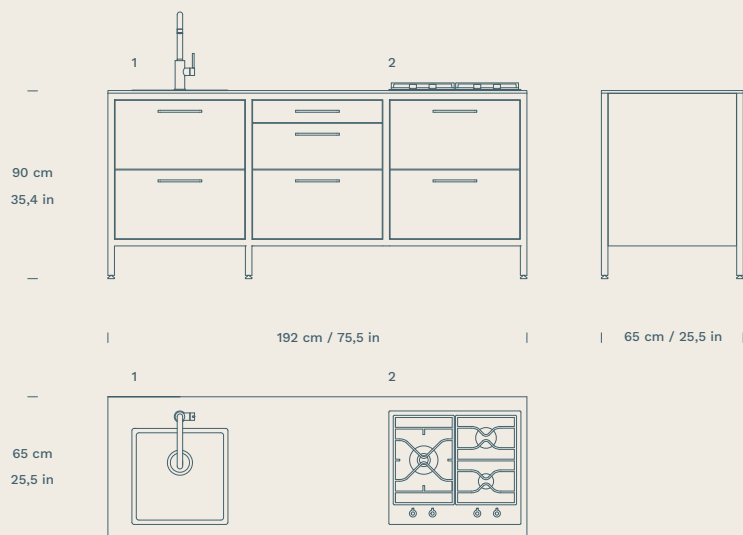

Materials

Worktop in oak veneer or porcelain stoneware.  
 Frames, side panels and handles in lacquered steel.  
 Drawers in lacquered oak veneer.
